Subject: Restriction on use of Mobile Phones in the Classrooms in all Govt./Private Schools.

ORDER.

It has been observed since last some time that Mobile Phone has been impacting the study time of Students. Mobile Phone which has found its way into the classroom has effected the study time negatively.

It has been oftenly observed that teaching faculty take mobile phones inside the classrooms and remain busy in calling or viewing certain electronic media in presence of students which distracts the attention of students. This Practice effects the studies of students very much as a considerable time of Teacher is spent with mobile phone. The Teaching time of the students gets reduced remarkably.

If the mobile phones are taken to classrooms regularly like the present day the students may emulate such habits which are not acceptable at their early stages of studies and life.

- (1) In view of the above it is ordered that no teaching faculty member will take his/her mobile phone inside the classroom.
- (2) No Teacher shall use mobile phone for calling, messaging etc. during the instructional hours.
- (3) Teaching faculty have to keep their mobile phones at silent mode and strictly avoid to carry inside the classrooms.
- (4) No Student shall be allowed to carry mobile phone to the School except some exceptional conditions.

All HOIs/Teaching faculty are directed to follow the above instructions scrupulously and any deviation will be viewed seriously and stringent action will be taken against the deviating officials.
